

Self Storage Facility: Allsafe Round Rock Storage
Address: 1301 Chisholm Valley Drive, Round Rock , TX 78681
Seller: Donald Daniel

To Whom It May Concern:

I am the former owner of Allsafe Round Rock Storage that I had owned since 1994. This was my last self-storage facility that I owned and decided to sell it to 4 Brothers Development, LLC.

Everyone with the 4 Brothers commercial team was great to work with. The communication was always very clear, and they accommodated the closing date I requested so we had a clean close with everything happening at the end of the month and before I traveled out of the state.

I would highly recommend working with them if you have a self-storage facility you're looking to sell.

All the Best,
